

Grange Park School Pedestrian Facilities Assessment

Project Description Sheet

Location

Blackpool

Client

Blackpool Council

Commenced

September 2004

Key Project Elements

Pedestrian crossing and bus pick-up/drop-off facilities in vicinity of school.

As part of the redevelopment of the existing Grange Park School site, PSA Design were commissioned to review pedestrian desire lines and liaison with school in order to identify potential pedestrian facilities at crossing points and bus pick-up and drop-off areas.

Findings of the review were then developed into a scheme for implementation.
